CONDITIONS

In each design, there is a set number of drafts and corrections/adjustments included. For items from the collection 1 draft and 2 corrections are included.

To minimize the corrections, I ask you to finalize your text before we start the design process and to look over each proof very carefully for spelling mistakes or any changes you want to make. Additional drafts will be charged € 90 each, additional corrections/adjustments will be charged € 40 each.

While I try to match your chosen colour as closely as possible, variations in printing colours may occur. This is due to the fact, that in screen printing all printing colours are mixed by hand. In addition, colours might look differently depending on the chosen paper.

For handmade paper & envelopes: variations in colour, size and shape may occur.

Please understand, that I cannot send you any of the art-assets, font-files or document information. (Exceptions can be agreed upon beforehand and will be mentioned in the estimate/invoice.)

This document contains non-binding price information. Prices may vary in accordance with the actually delivered services.

Customized items cannot be returned.

To make sure expenses are covered, I ask for an advance payment of 50 % of the total sum (or a different amount, agreed upon beforehand by both parties) before I start working on your project.

Payments are due within 14 days of the invoice date.
